

Team One Platinum Visa® Card

INTEREST RATES & INTEREST CHARGES

Annual Percentage Rates (APR)* for Purchases and Cash Advances	8.9% to 13.9% When you open your credit card, based on your creditworthiness.
APR* for Balance Transfers	8.9% to 13.9% APR for the unpaid balance and any new balance transfers
Penalty APR* and When it Applies	21.9% This APR may be applied to your account if you make a payment that is late 60 days or more. How long will the penalty APR apply? If we increase your APRs due to a late payment, we may keep them at the higher level on existing and new balances until you make six consecutive on-time payments.
How to Avoid Paying Interest on Purchases	Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on cash advances and balance transfers on the transaction date.
Minimum Finance Charge	None
